

## Fire and Rescue Operations

June 24, 2024

### Meeting Minutes

Stations in Attendance—2,3,4,5,6,8,10,11,12,14

May meeting minutes—Chief Brothers did not have a copy with him for approval

Chief Robinson Report—see attached, FROPS approved to send a letter to ESAC and Chief Robinson to show disagreement with the assets module not being approved for EOS, and the reasons this is needed

CCVESA—No one in attendance, have requested to receive copies of minutes, Tim will try to attend meeting, Forrest offered to attend as FROPS Rep when Tim is unable

EMS-AC Zaney- Monthly ems education has started

Stop the bleed program to start. Carroll has been approved to teach

4 new ambulances being built, will probably be ready in September. 59, 49, 29, 139

Make sure your affiliated with Carroll County

Looking to have bls providers do 12 lead

July 3rd equipment vending machines to be delivered

Health and Safety--AC Brothers---Quarterly safety meetings coming soon

Hazmat—None

Dive—None

ATR—New drill ordered

Training—None

ESAC—None

Old Business—

Communication Policy—discussion with concern over units having to monitor multiple channels, Chiefs to send concerns via email to Tim so policy could be worked on prior to July meeting

Hazard Communication Policy—discussion about how all personnel would be completing the annual required training, also WHO is the Station Supervisor?

Respiratory Protection Policy—Most Chiefs had not reviewed, so tabled for July vote

New Business--None
