### Last Week for Citizen Input on County Public Transportation

**Westminster, MD, Monday, March 4, 2019** – As previously released, Carroll Transit System, the public transportation program in Carroll County, is seeking Carroll County resident feedback to assist in developing a five-year plan update, termed the *Carroll County Transit Development Plan (TDP)*. The final day to complete the transportation survey is **March 11, 2019**.

The public survey is accessible by logging onto:

Encuesta en Español: <https://www.surveymonkey.com/r/PHHP2V7>

Citizen feedback will be used to complete major tasks for the planning study including: an analysis of current services; an analysis of transit need based on demographics, land use, and stakeholder input; the development of options to consider for inclusion in the plan; and the draft and final versions of the TDP. The TDP is a requirement of the Maryland Transit Administration with the previous plan developed in 2013.
