Subject: Promotion- Lieutenant Christopher C. Troutman

Date: December 31, 2024

Authority: Chief Michael W. Robinson, Director/*MWR*

Effective on January 2, 2025, at 07:00 hrs., FADO Christopher C. Troutman (1C) is promoted to the rank of Lieutenant. He is transferred to Station 1 (Mt. Airy) on D-shift as the station lieutenant. The department welcomes Lt. Troutman to the officer ranks and looks forward to the benefits of his leadership.

The first DFEMS lieutenant's process was competitive and consisted of written exam, simulation, interview and written exercise components. Ten final candidates were selected for the assessment process based on written examination scores. Three finalists were then qualified, and Lt. Troutman was selected.

I wish to thank all personnel who participated in the process and an eligibility list for station lieutenant will now be in effect for six months, should any additional vacancies occur. We sincerely thank the evaluation team from MFRI, Anne Arundel, Howard and Frederick counties who provided the process with external validation, knowledge and experience.
