# QUICK GUIDE TO THE COMMUNITY INVESTMENT PLAN

# A Quick Guide to the FY25 – 30 Community Investment Plan Department of Management and Budget

#### Introduction

This Quick Guide is intended to serve as a summary of important information and changes, as well as a tool for understanding and locating information in the budget books.

Recommended, Proposed, and Adopted Budgets are available online at <u>https://www.carrollcountymd.gov/government/directory/management-budget/bureau-of-budget/</u>.

#### Revenues (27-36)

- Total Capital Fund revenues are budgeted at \$121.7M in FY25, a decrease of \$39.1M from the FY24 Capital Fund budget of \$160.8M.
- 9.09% of Local Income Tax has been dedicated for school construction and debt service.
- Impact Fee collections are used to fund school and park construction projects.
- A portion of Real Property Tax revenue is appropriated directly to the Watershed Protection and Restoration Fund.
- The State allocation of Highway User Revenue is directly appropriated to the Capital Fund for road projects.

#### Public Schools (47-73)

- Freedom Elementary School Addition Total funding of \$7.2M is included in FY25 27 for the design and construction of an addition at Freedom Elementary.
- Funding is included for 15 HVAC replacements throughout the plan.
- Design and construction funding for four kindergarten and pre-kindergarten additions are included in FY25.
- Funding is included in the plan for the replacement of five roofs.
- Sykesville Middle School Addition Total funding of \$17.7M is included in FY25 27 for the design and construction of an addition at Sykesville Middle.

#### **Conservation and Open Space (75-82)**

- Agricultural Land Preservation Total funding for Agricultural Land Preservation for FY25 30 is \$24.4M and includes funding for easements and debt service to landowners participating in Installment Purchase Agreements (IPAs). A portion of Property Tax is dedicated to debt service on IPAs.
- PFAS Remediation \$2.0M is included to remediate PFAS (Per- and Polyfluorinated Substances) contamination as identified by Maryland Department of Environment.
- Stormwater Facility Renovation \$1.9M is included in FY25 30 for a long-term plan to keep existing County-owned stormwater management facilities in compliance with the National Pollution Discharge Elimination Permit and to extend the useful life of the facilities. The plan is to evaluate and repair five to seven facilities per year over a 30-

year period. Funding will be used for erosion repairs, replacement of filter material, and replacement of metal pipes with concrete pipes.

Watershed Assessment and Improvements (NPDES) – \$23.5M is included in the FY25 – 30 CIP to implement watershed improvement projects to work toward mitigating impervious surface areas within the County to stay compliant with the NPDES permit. In FY15, the municipalities and the County agreed to a combined NPDES permit with the County paying 80% of the cost to mitigate municipal impervious surfaces.

#### Public Works (83-118)

- Georgetown Boulevard Extension Funding of \$2.0M is included in FY25, for a total of \$2.5M, to extend Georgetown Boulevard towards Progress Way.
- Monroe Avenue Extension Funding of \$1.4M is planned in FY26, for a total of \$1.8M, to extend Monroe Avenue.
- Approximately \$126.2M is included in the FY25 30 CIP to maintain roads throughout the County through Pavement Management and Pavement Preservation.
- Funding of \$2.0M is included for video inspection and rehabilitation of storm drains in FY25 30.
- Hawks Hill over Little Pipe Creek Tributary Funding of \$0.9M is included in FY25, for a total of \$1.2M, for a replacement bridge structure.
- Patapsco Road over East Branch Patapsco Funding of \$2.0M is included in FY25, for a total of \$2.6M, for a replacement bridge structure.
- Stem Road over Wolf Pit Branch Funding of \$1.0M is included in FY25, for a total of \$1.3M, for a replacement bridge structure.
- Stone Chapel Road over Little Pipe Creek Funding of \$1.2M is included in FY25, for a total of \$2.1M, for a replacement bridge structure.
- Funding is included in the plan for the rehabilitation of eight additional bridge structures.

#### **Recreation and Culture (119-131)**

- Funding of \$0.9M is planned in FY29 and FY30 to replace field lights at Freedom Park.
- Two replacement pavilions, located at Freedom and Piney Run Parks, are planned in FY26 for \$0.5M.
- Sports Complex Field Improvements Funding of \$1.7M is included in FY25 and \$0.7M is planned in FY27 to improve five softball fields.

#### **General Government (133-153)**

- Carroll Community College Technology Funding of \$1.1M is planned in FY28 30 for replacement of laboratory computers and classroom technology.
- County Building Systemic Renovations This project provides funding of \$10.2M in FY25 30 for replacement of County facilities' systemic components.
- County Technology Funding of \$9.8M is included in FY25 30 for replacement of County government information and communication systems.
- Fire and EMS Self-Contained Breathing Apparatus Replacement Funding of \$3.5M is included in FY25 30 for the replacement of SCBA for volunteer and career firefighters.

- Land Management System Migration Funding of \$0.3M is included in FY25 to move our land management system to cloud-based services and add an electronic document review solution.
- Library Technology Funding of \$0.7M is included in FY25 30 for replacement of library computers and technology.
- Maintenance Center Fuel Tanks Funding of \$1.5M is included in FY25 for replacement fuel tanks.
- Piney Run Dam Rehabilitation Funding of \$1.5M is included in FY25, for a total of \$3.2M, to comply with MDE safety and performance standards.
- Public Safety Emergency Communications Radios Funding of \$4.5M is included in FY25 30 for replacement of mobile and portable radios used by Public Safety and other governmental agencies.
- Sheriff's Office Headquarters Funding of \$9.0M is included in FY25, for a total of \$39.4M, for construction of a headquarters in the Westminster area.

#### Fiber Network Enterprise Fund (167-170)

• CCPN Equipment Replacement – Funding of \$2.7M is included in FY25 – 30 for the equipment replacement of the Carroll County Public Network.

#### **Utilities Enterprise Fund (171-187)**

- County Sewer Line Rehabilitation/Replacement and County Water Line Rehabilitation/Replacement – Funding of \$8.6M is included in FY25 – 30 to rehabilitate, repair, and replace water and sewer lines in the Freedom, Bark Hill, Hampstead, and Pleasant Valley Service Areas.
- Liberty Tank Booster Station Funding of \$3.6M is included in FY25, for a total of \$3.9M, for construction of a booster station to service the high elevation zone of the Freedom District Service Area.
- Funding is included for the rehabilitation of one pump station.

## **Capital Fund Appropriations**

## Fiscal Year 2025 Budget \$121,668,630

This chart shows appropriations to the five principal groupings in the Capital Fund.

Public Schools includes Board of Education construction, renovation, and modernization projects.

Conservation includes agricultural land preservation and easement programs, NPDES compliance projects, water development, and acquisition of property for other County uses, which may include future roadway easements and public facilities.

Public Works includes projects for the maintenance and construction of roads and bridges.

Recreation and Culture includes the purchase of park land, development and restoration of parks, and preservation of Union Mills Homestead.

General Government includes projects for Public Safety, Carroll Community College, Carroll County Public Library, State's Attorney's Office, Technology Services, Senior Centers, Farm Museum, Board of Elections, Sheriff's Office, and other County needs and improvements.

## Community Investment Plan - Schedule of Reappropriations Fiscal Year 2025

Reappropriations are a transfer of funds. They may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

## Capital Fund

	Project		Source/Amount

# PUBLIC SCHOOLS

## **Overview of Public Schools CIP**

The Public Schools Community Investment Plan (CIP) includes school construction, such as additions and modernizations, as well as other school-related projects. School construction is funded primarily by dedicated Local Income Tax revenue, State funding, and Impact Fees.

Developing the school construction plan is a complex process involving the Board of Education's plans, priorities and requests, enrollment projections, redistricting plans, and projected development.

Funding is included in FY25 - 27 for the design and construction of additions at Freedom Elementary and Sykesville Middle schools.

Design and construction funding for four kindergarten and pre-kindergarten additions is included in FY25. Funding is also included in FY26 – 28 for future pre-kindergarten additions.

Even with the \$396.5M included in the plan, all project requests could not be funded. In recent years, the Board of Education has identified several needs that have no existing or planned funding. Unfunded projects include:

- Liberty High Modernization
- William Winchester Elementary Modernization
- Robert Moton Elementary BEST Program Addition

Following this overview are copies of the Board of Education's FY25 State Capital Improvement Plan Budget Request/FY2026 – 2030 Capital Improvement Program Plan. For additional information on Public School projects, please refer to the individual project pages.

## **HVAC Improvements and Replacements**

## Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the replacements of aging heating, ventilation, and air condition (HVAC) systems in schools. FY25 HVAC projects are budgeted separately. Listed below are future HVAC improvements or replacements not yet identified as specific projects in the Board of Education's Facility Master Plan.

Carrolltowne Elementary Northwest Middle Friendship Valley Elementary Piney Ridge Elementary Mechanicsville Elementary Runnymede Elementary Taneytown Elementary Elmer Wolfe Elementary South Carroll High Eldersburg Elementary

Project is contigent on State funding.

## HVAC System Replacement - Carroll Springs Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides funding for replacement of existing rooftop air handler units and terminal control units, heating and cooling plants, associated piping and pumps. The replacement will also include the pneumatic control system, electrical equipment, and a replacement emergency generator. Lighting fixtures will also be updated at this time to conform to modern energy codes.

## Prekindergarten Additions

#### Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides funding to design and construct one prekindergarten classroom at each of the 16 elementary schools. The need for the addition of prekindergarten classrooms is due to the required expansion of prekindergarten services to all three and four year olds as stated in the Blueprint for Maryland's Future legislation. The final scope will be determined by the feasibility study conducted in FY24.

## **Relocatable Classrooms**

### Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the removal and relocation of relocatable classrooms from various school sites where they are no longer needed. An evaluation of the condition and utilization of the existing classroom inventory was performed to identify units for potential removal or relocation.

## Transfer to Operating Budget for BOE Debt Service Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

A percentage of the Local Income Tax revenue is dedicated to school construction and appropriated directly into the Capital Fund. This project is for the portion of these dedicated funds transferred to the General Fund to pay debt service related to school construction projects. Dedicated Local Income Tax is budgeted in the Capital Fund and then transferred to the General Fund, so the funding is counted twice in the All Funds Budget.

## CONSERVATION AND OPEN SPACE

## **Overview of Conservation and Open Space CIP**

The FY25 – 30 Conservation and Open Space CIP consists of funding for land preservation and water resources. Approximately \$24.4M is included for the Agricultural Land Preservation Program in both the Capital and Operating budgets and is funded with a combination of dedicated Property Tax revenue, bonds, Agricultural Transfer Tax revenue, and State participation. Property Tax funding is included for the payment of interest to landowners.

The FY25 – 30 CIP continues funding to maintain the County's permit associated with the Federal National Pollutant Discharge Elimination System (NPDES) program. The County and the eight municipalities entered into a memorandum of agreement combining the municipalities and County into one permit. The County applied for a new 5-year permit, which was approved for 2022 - 2027. The new permit requires 14 percent remediation of impervious surface.

To remain compliant with the NPDES permit, the Stormwater Facility Restoration project was established to keep stormwater management facilities working properly.

For additional information on these or other Conservation and Open Space projects, please refer to the individual project pages.

## **Agricultural Land Preservation**

#### Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the Carroll County Agricultural Land Preservation program. The program provides an opportunity for landowners to make a long-term commitment to agriculture as a viable industry and preserve the rural character of Carroll County.

The County offers two payment options to the landowners: Installment Purchase Agreement (IPA) or Lump Sum. The IPA option pays the landowner for an easement over a 20-year period. The Lump Sum option pays for the easement at the time of settlement. The Maryland Agricultural Land Preservation Foundation (MALPF), a lump-sum payment program, is jointly funded by the State of Maryland and Carroll County.

A portion of Property Tax revenue is dedicated to the Agricultural Land Preservation program in the General Fund for interest payments to landowners in the Debt Service-Agricultural Preservation budget.

Operating impacts include debt service payments.

## **PFAS Remediation**

**Commissioner District: 3** 

9582

Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides funding to remediate the identified PFAS (Per- and Polyfluorinated Substances) contamination at the Public Safety Training Center per Maryland Department of the Environment.

## Stormwater Facility Renovation

#### Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to keep existing County-owned stormwater management facilities in working condition and in compliance with the National Pollution Discharge Elimination System (NPDES) permit. Five to seven facilities per year, over a 30-year period, will be evaluated. Funding will be used for repairs, pipe replacements, and filter media.

#### Watershed Assessment and Improvement (NPDES)

Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

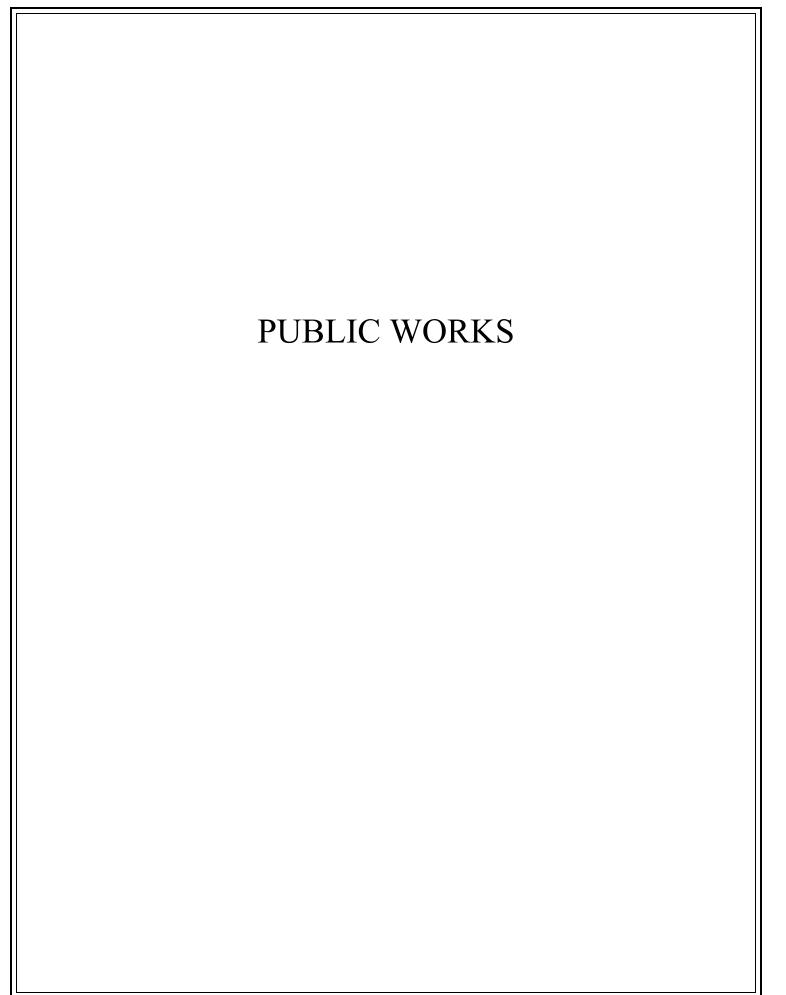

This project provides ongoing funding to comply with the Federal Clean Water Act. The Act requires the County to secure a permit under the National Pollutant Discharge Elimination System (NPDES) for storm sewer systems. The permit requires the County to map and assess the condition of the storm sewer systems and of the watersheds that discharge into them. The County and the eight municipalities have entered into a memorandum of agreement (MOA) to obtain a joint five-year NPDES permit to address stormwater issues. Under the joint permit issued in FY23, the County and municipalities are required to mitigate impervious surface runoff. As part of the MOA, the County manages the construction of the mitigation projects on behalf of the municipalities. The municipalities provide funding to the County equivalent to 20% of the construction cost of municipal impervious acres.

The current permit will expire in FY27. Town contribution estimates have been included through FY30 in anticipation that the Towns and County will continue to participate in a joint permit. The estimate is based on the same assumptions as the MOA signed by the Towns and County for the current permit.

Dedicated Property Tax is budgeted in the Special Revenue Fund and then transferred to the Capital Fund, so the funding is counted twice in the All Funds Budget.

## **Overview of Public Works CIP**

The Public Works CIP includes two sections: Roads and Bridges.

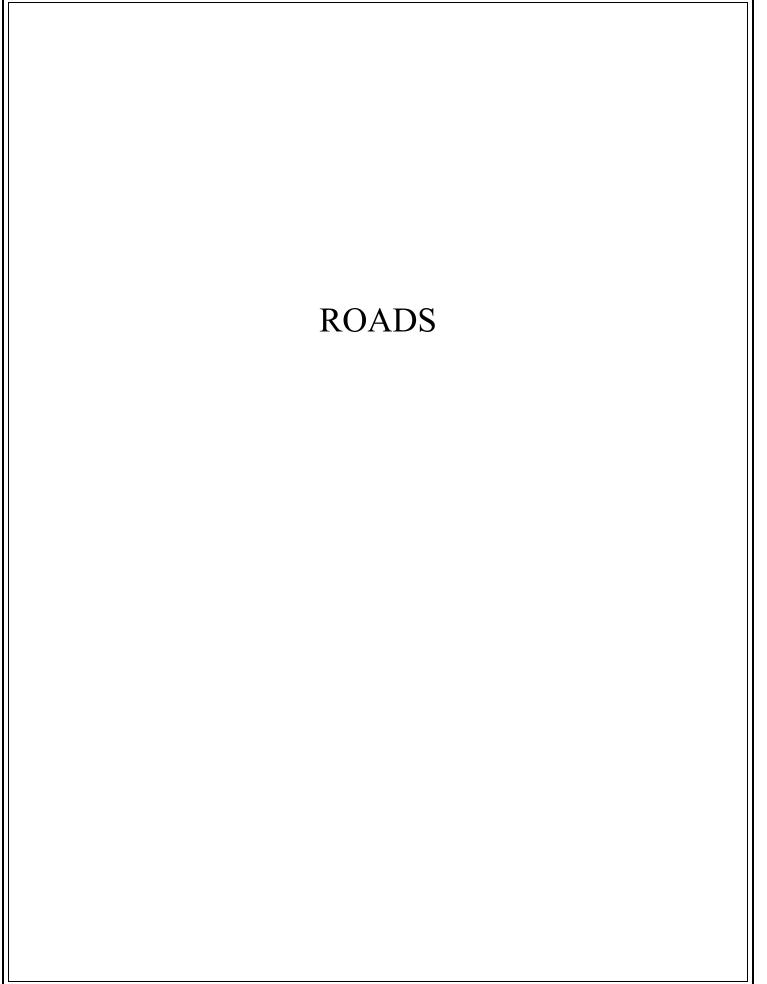

Approximately \$126.2M is included in the CIP to maintain and rehabilitate 900 miles of roads throughout the County. Approximately 35 percent of the County's road network is considered mainline or arterial roads. These roads carry a higher traffic volume. 65 percent are lower volume roadways, including neighborhood roads. Typical repair strategies include sealing, overlay, mill and overlay, full-depth reclamation, and reconstruction.

Ongoing funding is included for inspection of storm drains. Video inspections will assess the condition of the storm drain system and rehabilitation funding is included for pipe lining and replacement of storm drains and small drainage structures.

Three road extensions are included: Georgetown Boulevard, Market Street, and Monroe Avenue. Georgetown Boulevard will be extended to Progress Way, Market Street will be extended to MD 140, and Monroe Avenue will be extended.

Funding is included for the replacement of 12 bridge structures.

For additional information on these or other Public Works projects, please refer to the individual project pages.

## Georgetown Boulevard Extension

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

Functional Classification: Urban Major Collector (planned)

Average Daily Traffic: TBD

Total Planned Project Limits: Londontown Boulevard north towards Progress Way (total length of approximately 2,200 feet, of which approximately 1,500 feet will be provided by developers)

This project provides funding to extend Georgetown Boulevard from the current terminus at Londontown Boulevard north towards Progress Way.

## **Highway Safety Improvements**

#### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to address roadway segments and intersections with a history of frequent or severe crashes, and those with a significant potential for crashes. Possible improvements include minor changes in intersection geometry, turn lanes, signing additions or upgrades, traffic calming measures, and pavement marking upgrades.

Recently completed improvements includes Bandy Avenue traffic calming concept design, Sunshine Way traffic calming concept design, Bartholow Road pedestrian crossing design, and Compton Lane intersection evaluation.

## **Market Street Extension**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

Functional Classification: Collector Average Daily Traffic: TBD Length: Approximately 1,400 feet Limits: MD 140 to Old Westminster Pike

This project provides funding for the construction of a more direct connection to MD 140 from Old Westminster Pike. This connector will reduce traffic on Old Baltimore Road and the local streets that extend from Old Westminster Pike to Old Baltimore Road, and will provide redundancy in the road network. The connection to MD 140 will be located at the existing traffic signal at Market Street and Old Baltimore Road. This project was originally included in the 2008 Budget. Additional funding for stormwater is included.

## **Monroe Avenue Extension**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

**Commissioner District: 5** 

8609

This project provides planned funding to extend Monroe Avenue, an urban major collector road. A portion of the extension will be provided by the developer of the property located along the planned roadway. Installation of a structure is included in this project.

### **Pavement Management Program**

State Highway Administration

#### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the maintenance, repair, or rehabilitation of the County's 900 miles paved roads. Collected road condition information is used in a pavement management software program to recommend cost-effective repairs. Repair strategies include: patching, overlay, mill and overlay, full depth reclamation, and reconstruction. Drainage structures and traffic barriers are inspected, repaired, replaced, or added where necessary, and sidewalk accessibility will also be evaluated and included if upgrades are due.

Maintaining a road network in satisfactory condition is one of the goals of the Department of Public Works. While addressing roads near failure is important, maintaining roads in fair and satisfactory condition is important as well. It is cost effective to address roads while the amount of repairs is minimal and this balanced approach keeps the network in satisfactory condition.

## **Pavement Preservation**

### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to place a maintenance seal coat, such as microsurface, on paved roads. Pavement preservation is applied to roads still in good condition, before the onset of serious damage. Annual funding addresses approximately 25 - 30 miles.

A project list will be generated in the spring in preparation for the summer construction season.

### **Public Works Unallocated**

#### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides a source of funding in the event a capital project needs funds to cover costs over budget, unanticipated expenses, or emergencies. The Unallocated project is similar in nature to the Reserve for Contingencies in the General Fund. Any transfers from this project must be approved by the Board of County Commissioners through a Capital Budget Resolution.

## Ramp and Sidewalk Upgrades Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to upgrade or replace non-compliant ramps and sidewalks for ADA accessibility. This project allows for the acceleration of the replacement and upgrade process for non-compliant ramps and sidewalks not addressed through the Pavement Management Program.

## **Small Drainage Structures**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to rehabilitate or replace deteriorated drainage structures including culvert headwalls and ancillary drainage features.

The Department of Public Works continues to incorporate all pipe culverts and drainage structures into Geographic Information Systems (GIS). Once the locations are identified and mapped, field condition assessments can be made to help determine the most effective approach to replacing and repairing these structures.

#### **Storm Drain Rehabilitation**

#### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to maintain the storm drain system through rehabilitation and replacement. The County maintains about 180 miles (or 950,000 feet) of storm drain infrastructure, primarily located in neighborhoods where curbing, inlets, and manholes exist. Many of these systems were constructed with corrugated metal pipe, which has a life span of 30 - 50 years.

#### **Storm Drain Video Inspection**

#### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to gather video inspection data of existing storm drain pipes. Inspection data is also collected for roads repaired through the Pavement Management Program. Video inspections determine if repairs or replacements are needed, and funding is provided for infrastructure rehabilitation in Storm Drain Rehabilitation.

## **Bridge Inspection and Inventory**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the inspection of 20 minor structures that do not qualify for use of Federal funds. Small structures are inspected every four years in the same manner as the 136 major County-maintained structures. This project includes hands-on field inspections of all 20 structures, as well as completion and submission of inspection reports, which summarize findings. Report recommendations are used to evaluate repairs and structure replacements.

#### **Bridge Maintenance and Structural Repair**

#### Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for preventative maintenance and small repairs to County-maintained bridges, including: deck joint replacements, structural steel repairs, concrete patching, stream channel stabilization, traffic barrier replacement, and approach roadway repairs. Several projects have been identified for the work types and are listed below.

Listed below are potential sites for a replacement bridge seal project:

CL 208 Baptist over Alloway Creek
-----------------------------------

CL 234 Hapes Mill over Big Pipe Creek

- CL 266 Flickinger over Big Pipe Creek
- CL 272 Halter over Big Pipe Creek

CL 211 Bowers over Alloway Creek CL 262 Mayberry over Bear Branch CL 271 Arters Mill over Big Pipe Creek CL 364 Adams Mill over Little Pipe Creek CL 353 Patapsco over W. Branch Patapsco River

CL 311 Morgan over S. Branch Patapsco River

Listed below are potential sites for a concrete patching project:

- CL 217 Stone over Silver Run
- CL 311 Morgan over S. Branch Patapsco River

CL 353 Patapsco over W. Branch Patapsco River

CL 332 Marriottsville over S. Branch Patapsco River

CL 373 Coon Club over E. Branch Patapsco River

### **Brown Road over Roaring Run**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

Functional Classification: Rural Local Average Daily Traffic: 395 Bridge Number: CL 346

This project provides funding to replace the three cell corrugated steel pipe culverts, located in the central eastern area of Carroll County, with a new structure. The type of replacement structure will be determined based on an alternatives analysis.

#### **Cleaning and Painting of Bridge Structural Steel**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for cleaning and painting of bridge structural steel. Cleaning and painting slows deterioration and extends the useful life of steel structures. Funding is accumulated over several years to allow for completion of a larger project.

### Hawks Hill Road over Little Pipe Creek Tributary

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

Functional Classification: Rural Local Average Daily Traffic: 253 Bridge Number: CL 242

This project provides funding to replace the small bridge, located in western Carroll County near the Town of New Windsor. The existing structure is concrete encased steel beams on stone masonry abutments. The type of replacement structure will be determined based on an alternatives analysis. The structure width and waterway opening will be evaluated as part of the analysis.

This project does not qualify for Federal aid due to the overall length of the structure.

# RECREATION AND CULTURE

### **Overview of Recreation and Culture CIP**

The Recreation and Parks portion of the FY25 - 30 CIP provides facilities for passive (natural park areas) and active (ballfields) recreational opportunities. The primary sources of funding for recreation projects are Impact Fees and Program Open Space (POS) funding. Impact Fees are charged to developers of new homes in Carroll County to partially offset the cost of providing recreation facilities to serve those new homes. POS funding is provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities. Projects include Recreation and Parks, and the Union Mills Homestead. These projects maintain County infrastructure and are funded primarily using Program Open Space dollars.

Field light replacements are included for three fields at Freedom Park. Other projects include five tot lot replacements, two replacement pavilions and Sports Complex field improvements.

Funding continues for Self-Help projects. These projects are cooperative ventures between local community groups and the County and enable the County's Recreation Councils to identify projects to enhance park facilities countywide.

For additional information on Recreation and Parks projects, please refer to the individual project pages.

#### **Community Self-Help Projects**

#### Ashleigh Smith, Project Coordinator (410) 386-2082

This project provides ongoing funding for the Self-Help program in an effort to create community interest and involvement in recreational facilities throughout Carroll County. It enables communities to accomplish recreational projects approved by the Recreation and Parks Advisory Board and Board of County Commissioners. Individual projects may not exceed \$25,000 and can receive up to 75% funding from Community Self-Help, up to 85% if it includes volunteer labor. The remaining cost of the project is provided by the community.

## **Freedom Park Field Light Replacement**

#### Ashleigh Smith, Project Coordinator (410) 386-2082

This project provides planned funding to replace the existing lights for three ball fields, located on Raincliffe Road in Sykesville. The remaining five fields will be addressed outside of the plan.

Project is contingent on State funding.

Operating impacts will include a reduction in electricity cost.

## Land Acquisition

#### Ashleigh Smith, Project Coordinator (410) 386-2082

This project provides ongoing funding for the required 25% Program Open Space allocation for land acquisition projects. Projects must be consistent with the goals of the local Land Preservation Parks and Recreation Plan (LPPRP) and Program Open Space Annual Program. Funding is included in this project for future acquisitions and has not been allocated to specific projects.

Project is contingent on State funding.

## **Piney Run Park Pavilion Road Paving**

#### Ashleigh Smith, Project Coordinator (410) 386-2082

This project was included in FY22 to pave the pavilion road and parking lot near Pavilions #4 and #6. Additional funding is being added in FY25 to address stormwater management. Piney Run is located on Martz Road in Sykesville.

Project is contingent on State funding.

Operating impacts include eliminating stone replacement costs.

## **Sports Complex Field Improvements** Ashleigh Smith, Project Coordinator (410) 386-2082

This project provides funding to improve drainage issues and install concrete pads and shade structures for all five ballfields at Carroll County Sports Complex, located on Route 97, north of Westminster. The shade structures consist of removable sail cloth supported by steel posts and cabling.

Project is contingent on State funding.

#### **Town Fund**

#### Ashleigh Smith, Project Coordinator (410) 386-2082

This project provides ongoing funding to the eight towns within the County as a 5% match to Program Open Space (POS) projects. Every year since the early 1970s, the State has made POS funds available to the towns for development of municipal parks. Up to 90% of the cost of the municipal projects may be reimbursed through POS funding. The County contribution shown below is to cover 5% of the approved municipal projects. The remaining 5%, as well as any cost overruns, are the responsibility of the towns.

# GENERAL GOVERNMENT

### **Overview of General Government CIP**

The General Government portion of the Community Investment Plan (CIP) addresses capital projects that do not specifically fit in one of the other five categories: Recreation and Parks, Public Works, Public Schools, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Public Safety, Carroll Community College, Carroll County Public Library, Sheriff's Office, Board of Elections, Technology Services, Senior Centers, and other County facilities.

Included is ongoing funding for technology improvements for County Government, Carroll Community College, and Carroll County Public Library. Systemic improvements, replacements, and renovations for County facilities, including generators, roofs, HVAC components, and parking lots are included.

Ongoing funding is provided for Public Safety emergency communication radios.

Ongoing funding is provided for the replacement of self-contained breathing apparatus for volunteer and career firefighters in Carroll County, as well as for regional water supply infrastructure to support firefighting operations.

Fleet Management replacement projects include a belowground vehicle lift and fuel tanks.

Funding is provided for Piney Run Dam Rehabilitation to bring the dam up to safety and performance standards required by the State.

Funding is provided to migrate the County's land management software to a cloud-based service and add an electronic document review solution.

Additional funding is provided for the construction of a headquarters for the Sheriff's Office.

For additional information on General Government projects, please refer to the individual project pages.

# Fire and EMS - Regional Water Supply Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the installation of water tanks and dry hydrants throughout the County. Water tanks provide a 30,000 gallon source of water to support firefighting operations. Dry hydrants use sources, such as streams and ponds, to access water for use in firefighting activities in areas that are otherwise without a readily accessible supply of water.

### **Fleet Lift Replacements**

Ryan Nowicki, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to continue the replacement of vehicle lifts at the Maintenance Center, located on Old Meadow Branch Road in Westminster. There are nine lifts total, five aboveground and four belowground. The planned replacement is a belowground lift. Additional lifts are scheduled for replacement outside of the six-year plan.

### **General Government Unallocated**

#### Lydia K. Rogers, Management and Budget Analyst (410) 386-2082

This project provides a source of funding in the event a capital project needs funds to cover costs over budget, unanticipated expenses, or emergencies. The Unallocated project is similar in nature to the Reserve for Contingencies in the General Fund. Any transfers from this project must be approved by the Board of County Commissioners through a Capital Budget Resolution.

# ENTERPRISE FUNDS

# **Overview of Enterprise Funds CIP**

Enterprise Funds are used to account for operations that are funded and operated in a manner similar to private businesses. Carroll County has six enterprise funds: Carroll County Regional Airport, Fiber Network, Hap Baker Firearms Facility, Septage, Solid Waste, and Utilities (Water and Sewer). There are no projects for the Firearms Facility, Septage, or Solid Waste.

#### <u>Airport</u>

Funding is included for grounds and maintenance equipment at the Carroll County Regional Airport.

### Fiber Network

The Fiber Network CIP includes funding for Carroll County Public Network (CCPN) equipment replacement.

### **Utilities**

The Bureau of Utilities operates Freedom Sewer, Freedom Water, Hampstead Sewer, and several small water and sewer systems. Projects can generally be divided into those intended to improve the existing system, such as rehabilitation projects to reduce inflow and infiltration, and those intended to provide for increased demand. Included is funding for rehabilitation and/or replacement of sewer and water lines, valves, tanks, and meters. Funding is included for a booster station at Liberty Tank and the rehabilitation of one pump station.

For additional information on these or other Enterprise Fund projects, please refer to the individual project pages.

# Community Investment Plan - Enterprise Fund Schedule of Reappropriations Fiscal Year 2025

Reappropriations are a transfer of funds. They may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

### **Grounds and Maintenance Equipment**

Jacob Dellinger, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for grounds and maintenance equipment at the Carroll County Regional Airport, located off Route 97 in Westminster. The Federal Aviation Administration (FAA) has approved County use of rental revenues collected from the properties that were jointly purchased by the Airport and the FAA.

**Commissioner District: 3**

## **Tank Inspection and Rehabilitation**

Kelly Burke, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for tank inspections every four years and the rehabilitation or replacement of existing water tanks. General maintenance, site work, and repairs are also included. The next project is Linton Water Tank.

## Water Main Valve Replacement and Rehabilitation

Kelly Burke, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to replace and rehabilitate the County's water main valves and blow-off valves. Water main valves are needed to shut off lines in the event of water main breaks or if new connections are added into the system. Blow-off valves allow for water line flushing.

## Water Meter System Upgrade

#### Kelly Burke, Management and Budget Analyst (410) 386-2082

This project provides funding to upgrade the water meter system, including leak detection between meters and residences. Leaks lead to increased operational costs and loss of treated water.

Operating impacts include annual software maintenance.

#### Water Meters

#### Kelly Burke, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the replacement of approximately 10,000 residential meters and 420 commercial meters.

#### Water Service Line Replacement

#### Kelly Burke, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to replace water service lines. Leaking water lines lead to increased operational costs and loss of treated water. The allocation for this project funds the replacement of approximately 70 water service lines annually. This is for the service line from the water main to either the water meter vault or the curb stop, which is the responsibility of the County.

# GLOSSARY OF TERMS AND ACRONYMS

## **GLOSSARY OF TERMS AND ACRONYMS**

ADA Americans with Disabilities Act.

**AGRICULTURE TRANSFER TAX** Tax on the sale of property located within an area zoned for agriculture; proceeds are used to help fund the Agricultural Land Preservation program.

**APPROPRIATION** Legal authorization to spend a specific amount of money for a particular purpose during a fiscal period.

**BALANCE TO COMPLETE** Funding anticipated beyond the six-year plan for completion of a project.

**BALANCED BUDGET** A budget in which total expenditures equal total revenues. By State Law, the County's budget must be balanced.

**BOE** Board of Education.

**BOND** An investment grade interest-bearing certificate of indebtedness sold by the County or another governmental agency to generate funds. The bond guarantees payment of the original investment plus interest by a specified date or dates in the future. Bonds typically involve long-term indebtedness to pay for capital projects.

**BONDED DEBT** The total amount owed by the County as a result of the sale of general obligation or other bonds guaranteed by the County Government.

**CAPITAL BUDGET** This budget funds construction and improvement projects such as schools, bridges, and roads.

CCC Carroll Community College.

CL Carroll (Bridges portion of the CIP.)

**COMMISSIONER DISTRICT** Project location based on the five Commissioner districts within Carroll County.

**COMMUNITY INVESTMENT PLAN (CIP)** A six-year plan showing anticipated capital projects and funding sources.

**DEBT SERVICE** The annual payment of principal and interest on the County's bonded debt.

**DEPARTMENT** A County agency or office. Examples are the Department of Economic Development and the Department of Public Works.

**DMB** Department of Management and Budget.

**ENTERPRISE FUND** A fund established to account for the financing of self-supporting services provided by the County government. The services generate their own revenues from fees, charges, and other receipts. Carroll County presently has six enterprise funds: Airport, Fiber Network, Firearms Facility, Septage, Solid Waste, and Utilities (Water/Sewer).

**EXPENDITURE** The cost of goods delivered or services rendered.

**FISCAL YEAR** A 12 month period of time to which the annual operating and capital budgets apply. Carroll County's fiscal year runs from July 1st through June 30th.

**FUND** A separate budget/accounting entity with its own revenues and appropriations. The General Fund, for example, covers most of the daily operations of the County agencies and is financed by a variety of taxes and other revenues.

**GENERAL GOVERNMENT** Capital projects that do not specifically fit in one of the other five categories: Recreation and Culture, Public Works, Board of Education, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Public Safety, Carroll Community College, Carroll County Public Library, State's Attorney's Office, Technology Services, Senior Centers, Farm Museum, and other County facilities.

**GENERAL OBLIGATION BOND** Common type of municipal bond secured by a state or local government's pledge to use legally available resources, including tax revenues, to repay bond holders.

GF General Fund.

GIS Geographic Information Systems.

**GRANT** A contribution of assets (usually cash) from one governmental entity (typically the State or Federal government) or other organization to another. The contribution is usually provided in support of a particular public function, project, or program.

**HIGHWAY USER REVENUE (HUR)** Funding provided to counties in capital grants set by statutory formula as percentages of the balance of the Gasoline and Motor Vehicle Revenue Account in the Transportation Trust Fund.

HVAC Heating, ventilation, and air conditioning.

**IMPACT FEES** One-time charges assessed against new development to recover a portion of the capital cost of the additional public facilities of parks and schools needed to serve that development.

**LOCAL INCOME TAX (LIT)** Counties in Maryland have the authority to levy a Local Income Tax rate, which is expressed as a percentage of State taxable income. A portion of Local Income Tax is devoted to the Capital Fund for Board of Education projects.

**LPPRP** Land Preservation, Parks and Recreation Plan.

MALPF Maryland Agricultural Land Preservation Foundation.

MOA Memorandum of Agreement.

MUNICIPALITY City or town incorporated for local self-government.

**OPERATING BUDGET** The annual budget, which supports the day-to-day operations of County agencies.

**OPERATING IMPACTS** Costs associated with implementation of projects in the capital budget. Examples include utility, maintenance, and personnel costs.

**OVERLAY** Consists of milling and patching of failed areas, and the application of hot mix asphalt over the existing road or parking lots.

**PAYGO** A fiscal policy by which capital projects are funded with current revenue. In Carroll County, in addition to Transfer to Capital Fund, other sources of current revenue are appropriated directly to the Capital Budget.

**PFAS** Per - and Polyfluorinated Substances

**PRIOR ALLOCATION** Legal authorization to spend a specific amount of money for a particular purpose that occurred during a previous fiscal period.

**PROGRAM OPEN SPACE (POS)** Funding provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities.

**PROPERTY TAX** Tax on the value of real and personal property is levied almost exclusively by local governments. In Maryland, the State Department of Assessments and Taxation is responsible for the valuation and assessment of all property in the State. The local government is responsible for setting the tax rate to be applied to the property assessments to generate revenues in support of the local budget. A portion of Property Tax is devoted to the Capital Fund for the Agriculture Land Preservation project.

**REAPPROPRIATION** A transfer of funds that may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

**RESOLUTION** Formal statement presented to Commissioners for decision.

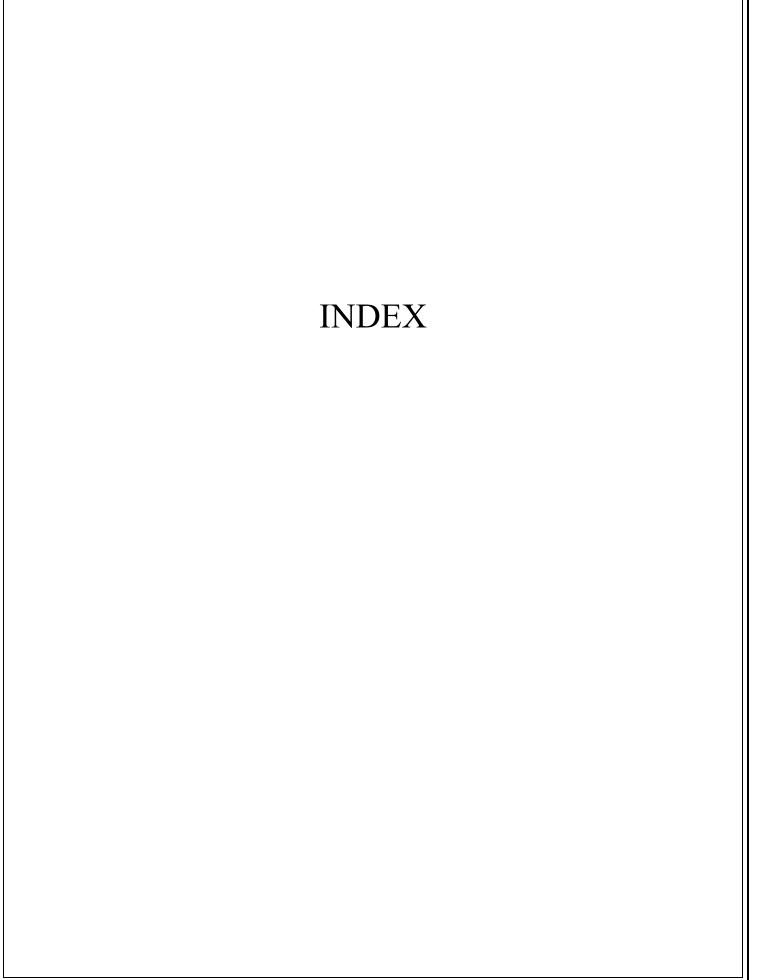

**REVENUES** Monies received by the County to provide services needed by the public. Property Taxes, building permits, and receipts from State and Federal sources are examples. By law, revenues must meet or exceed appropriations.

**SCBA** Self-Contained Breathing Apparatus

SEQUENTIAL BATCH REACTORS (SBR) A type of sludge process for the treatment of wastewater.

**WTP** Water Treatment Plant.

**WWTP** Wastewater Treatment Plant.
