

# RECYCLE RIGHT!

ONLY THESE ITEMS GO IN A CURBSIDE BIN:

## METAL

Empty food and beverage cans. Lightly rinsed.

## GLASS

Empty bottles and jars. Lightly rinsed, no lid.

## PAPER

Clean, dry paper, cartons, and cardboard.

## PLASTIC

Empty bottles, tubs, jars, and jugs. Lightly rinsed, leave lid.

## DO NOT BAG!

**WHEN IN DOUBT,  
LEAVE IT OUT!**

Materials must be loose!  
Plastic bags should never  
be in the bin.

Symbols on packages do not reflect local recycling capabilities. Unacceptable materials hurt the program!

*Thank you!

better tomorrow.*
